**THE
REAL
Vocal
BOOK**

INTRODUCTION

Looked over the Real Book and said, "Sure but what about lyrics?" We love vocals. Dug up all the words we could, some of them make us cringe - they just don't match those beautiful evergreen melodies. Got more and more excited as lots of rare and recently written lyrics came in for all kinds of tunes especially be-bop.

This book takes for granted Singers are Musicians. There's some amazing material here if you can read music, transpose tunes into your key and feel jazz. When singers speak the language of music and instrumentalists learn lyrics and do a little more singing themselves, vocalists and players can make beautiful music together.

We used Real Book charts for Real Book tunes with some alterations to make lyrics fit. The other tunes all come recommended.

Listened to a lot of Lambert, Hendricks & Ross, Eddie Jefferson, Ella, Sarah, Carmen, Mark Murphy, Tony Bennett, Betty Carter etc. A lot of fun and hard work to get these charts together. We had to leave out introductory verses and scat solos this time - that would fill another book. Please let us know about more lyrics (write some!), errors, recommended tunes etc. through your Real Vocal Book agent.

Finally please don't lay a moral or legal trip on us. Try and get most of these tunes in good chart form at a store and you just can't. As soon as you can we won't need fake books.

We're coming back to melody and a renaissance of vocal music with the growing popularity of vocal groups Manhattan Transfer, Roches, Nylons, Brass Tacks, Sweet Honey & The Rock, 100's of jazz choirs etc.).

This book is an invitation to do more singing. Have a good time with it!

Like a big yellow rose

Yes, in the end comes undone
But that sweet smelling thing

Will blossom next spring
With the kiss of the mid day sun

Living has just begun

When you find peace of mind
Leave your worries behind

Don't say that it can't be done
With a new point of view

Life's true meaning comes to you
And the freedom you seek is one

Peace is for everyone
Peace is for everyone.

SOME OTHER TIME

LYRICS - L. CALVERT

Some other time , I'll find it
Gold waiting at the end of that rainbow I know
Though it seems so far to go

While going round in circles
Grab the brass ring , the promise hold it tight I will
Not right now Some other time

I held the world in my hand
Treasure that turned into sand
But I know I can build it up again
Till then

I'll wander through this dream time
Let someone else turn water into wine I can
Try again some other time .

Let's tune up tonight Let's
Try and get it right The
Audience is threatening to leave the room If we
Don't start playing in tune

It's worth the extra wait Al-

Try and get the pitches right Let's tune
Up tonight

We got sex appeal, we got
Rhythm we got feel But if we
Don't start playing in tune The

YOU DON'T KNOW WHAT LOVE IS

LYRICS: JIMMY MILLER

You don't know what love is,
You never even tried to learn the rules.
You treat it as a pastime just for fools,
Playin' it cool,
That's not what love is.

You don't know what heart is.
It's not a toy, it's not a yo-yo on a string.
If anything is sacred, it's that thing.
Now mine is bleeding, and
I know what love is.

Lovin' is a gamble.
I gambled on some kisses sweet with fire.
Put body and soul up on the table.
The stakes couldn't get any higher.

The gamblin's done now,
Yes, the game is over.
The last move's been made,
The last dice has been tossed.
You think you've won, but,
Now we both have lost,
At such a cost,
'Cause that's what love is.
